## Why Partner with ELAP:

We are a nonprofit dedicated to working with people facing domestic violence, housing, financial, healthcare, immigration and other issues that need a legal solution.

We also educate communities about their legal rights.

We work for free to solve legal issues and provide resources for our community members because not everyone can afford a lawyer.

We are one of the few organizations in our region providing free legal aid services.

Please secure your commitment by Sept. 1, 2021.

### Our sponsors help us make a significant annual impact on our community:

- 2,625 people served throughout King County
- 254 free legal clinics
- 38 community education events
- 418 survivors of domestic violence empowered
- 49 patients helped through our medical-legal partnerships
- 160 pro bono attorneys providing 1,145 hours
